

CATASTROPHIC FIRE DAY BUS ARRANGEMENTS

BUS ARRANGEMENTS

- Meningie Area School **is not classified** as either an R1 or R2 government school and will, on days of a Catastrophic fire rating for this region, **be open**.
- All school bus services travelling through the affected Fire Ban District will **be cancelled**.

NOTIFICATION PROCESS

- When a catastrophic fire day rating is forecast **the afternoon before**, parents/caregivers will be advised via the SMS system/phone or email that the regular bus service **has been cancelled and will not be running at all the next day**.

This means that parents and caregivers will need to make arrangements for their child/ children to get to and from school on that day.

- When a catastrophic fire danger is forecast **on the morning of the day of the conditions**, the school bus service will operate as usual unless advised by the authorised Emergency Services personnel.
